Sierra Nevada

We set out with a simple goal: brew the beers we wanted to drink. We started small, with a homebrew shop, a love of American hops, and plenty of passion. In the process, we changed the world of beer forever. Decades later, we're still at it, and the passion burns brighter than ever.

On-site: Sierra Nevada Brewing Company is setting up Beer Camp at the southwest corner of Historic Tredegar. Pose like a champ at the Pallet Podium. Take a trip down the Brewery's memory lane from humble, sustainable values in 1980 to the innovation of today. Run your fingers through roasted malt. Explore the sticky lupulin glands of the hop cone. Try some specialty beers and don't miss four Hop Talks taking place under the tent on Friday at 6:30p.m., Saturday at 3:00p.m. and 6:30p.m., and Sunday at 3:00p.m.

Saladworks

We've been making salads since before they were cool. And now more than ever we're obsessed with fresh. We believe that a salad is only as good as where it comes from. That's why we source the best growers for bigger taste. It's why we chop fresh all day, every day. From our kale, to our carrots, to our quinoa, our promise is as fresh as it gets. At Saladworks, this is where it all began, over thirty years ago making salads for the people, by the people. And we plan on making them for a very long time because there's nothing trendy about fresh.

On-Site: Visit our booth where we will be selling wraps and bottled beverages. We will be giving away menus, cups, magnets and other promotional items. We will also be running a contest to win free salads for a year!

Dagger Kayaks

Our goal is to represent everything that's great about getting on the water, from the technical aspects of rec and touring to the pure rush of whitewater. We stand behind all of our kayaks with the assurance of the highest level of quality, from the boat design, all the way through the life of your kayak. We're a company that started in a small shop with a dirt room floor. A few paddling buddies working tirelessly to kick off a young paddling industry doing what they loved. Look at us today, and we are proud we haven't really changed a heck of a lot from those core principles. The faces are different, and the family is growing, but it's still just a group of people who love to paddle and build boats that others love to paddle.

About Dominion Riverrock

Dominion Riverrock, organized by Venture Richmond and the Sports Backers, began in 2009 and is now the nation's premier outdoor sports and lifestyle festival, bringing athletes, spectators, musicians, and even dogs to Brown's Island for a three-day festival against the backdrop of downtown Richmond's urban riverfront. The festival features a variety of outdoor sports including trail running, kayaking, biking, bouldering, slacklining, stand up paddleboarding, and dog jumping. The event was designed to promote Richmond's unique urban environment and setting to outdoor enthusiasts. As a result of the creation of Dominion Riverrock, there is a stronger appreciation for the value of outdoor recreation throughout the entire Richmond region.
